Life isn't about finding yourself. Life is about creating yourself - George Bernard Shaw

Forum's Address

The Economic Forum under the aegis of the dept. of Economics of B. P. Chaliha College, Nagarbera was established in 2003. The publication of News Letter is one of the prime activities of the forum. The 1st volume (2013) of the news letter published in 2014. Economic forum aims at enhancing the quality of students of the department of Economics. It also seeks to empower the students by imparting necessary skills sets to make them alert and to become aware of the surrounding world. The forum has made efforts to provide favourable environment and facilities to prepare the students eligible for future course of time. Initiatives like workshops, seminars, popular talks etc on different emerging issues and tour visits to advance laboratories are an integral part for the benefits of the students and efforts are made to make the department one of the best in the college. We are trying our level best to provide better academic atmosphere to the stakeholders incorporating with the global emerging scenario around us.

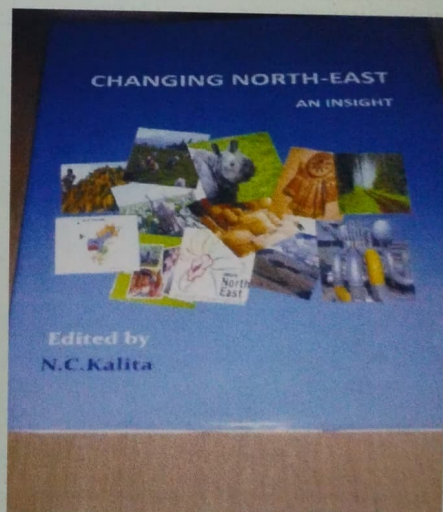

Principal's Desk....

I am happy to learn that the Department of Economics B. P. Chaliha College, Nagarbera is going to publish it's 2nd issue of departmental News Letter. A news letter not only provides information regarding various activities of the department but also reflects the thoughts, perceptions and aspirations of the teachers and the students. I hope the coming issue of the news letter will provide new insight in this regard. On this occasion I congratulate all the teachers and the students of the department and hope this publication will continue in future.

Dr. B. B. Panda

Reflections.....

YEAR LONG ACTIVITIES OF THE DEPARTMENT

Educational Tour - Toklai Tea Research, 2014

On 5th March, 2014, the department of Economics, B.P.Chaliha College, Nagarbera has visited Toklai Tea Research Centre, Jorhat, under the guidance of Mrs F. Ahmed, Mr A. Saikia and Mr. T. Deka, faculty members with 18 students. After registration at the research centre, Prof. Tanti, senior scientist, Toklai Tea Research Centre demonstrated the process, production and manufacturing of tea. Then we visited different branches of research centre such as, tea testing centre, laboratory, library, commercial section, sample tea garden and other related branch of research centre. In commercial section soft drinks, chocolate, biscuit, digestive tablet are prepared from tea which have great potentialities in the world market.

Educational Tour: Assam Agricultural University, Jorhat, 2014

A group of the students of department of Economics, B.P.Chaliha College, and Nagarbera visited the Assam Agricultural University, Jorhat on 5th of March 2014 under the guidance of the faculty members- Mrs F. Ahmed, Mr A. Saikia and Mr. T. Deka. Taking necessary permission, we visited all the departments of the university, library, Research Labs etc. Students enjoyed a lot by visiting fish breeding plants, Hatchery, Nursery, aquarium, Piggery, Ornamental fish production/ demonstration centre etc.

Faculty Development Programme on Global Financial Crisis and its impact on new Emerging Economics

Looking into the debt crisis and other financial crises that already faced by the USA and some other countries of the world and other respective emerging financial problems to be faced by Developed, under developed and developing countries, SHIMIZU Manabu from Eurasian Consultant Ltd. Tokyo, Japan on 26th June 2014, has delivered a very fruitful lecture on Financial Crisis in South East Asia (1997), The Lehman Brothers shock and its impact (2008 and after), Economic Stagnation and Deflation as a background of Abenomics, Structural change of Japan's economy and Asia China's challenge and challenge for China.

**ICSSR-NER sponsored Regional Seminar
on “Changing Scenario of development of
North East India”**

A one day ICSSR-NER sponsored regional -

seminar was organised on “Changing Scenario of development of North East India by the department of Economics, B.P.Chaliha College, and Nagarbera Kamrup Assam on 30th October 2014 in collaboration with Teachers Unit of the College. The seminar was organised to find out the causes and responsible factors of non development in fields of education, agriculture, infrastructure, health and sanitation, women empowerment, ICT development etc. The seminar was attended by 106(one hundred and six) participants from the universities and colleges of the North East region. A total of 25 (twenty five) research papers were presented by the researchers and interacted with the participants, where positive and negative comments were forwarded by the resource persons. After lighting the lamp by Mr. U.C Talukdar, President Governing body of the college, the key note address on the Changing scenario through e-governance and optimum allocation and fruitful distribution of resources was delivered by Dr. Nissar Ahmed Baruah, Head Department of Economics, Gauhati University.

The seminar was comprised with two technical sessions. The seminar was extremely productive as it threw-up new aspects in different fields of development for the region. It promoted awareness among the academia about the need to branch out new directions for promoting development in near future in any region.

INFORMATICS issue –III, inaugurated by prof. N.C.Bhoi
