From Principal's Desk:.....

This gives me great pleasure to note that The News Letter of the college **Prospects** is going to be published for the academic session 2015-16. This is an opportunity to reflect the image of the college in

miniature, in all its aspect-physical, intellectual and academic. I convey my best wishes to the members and the staff of this college on this occasion. Hope this endeavour will encourage and inspire the college community in achieving greater excellence in the days to come.

Dr. B.B. Panda

Principal, B. P. Chaliha College.

From Editors' Desk

'News Letter' of any institution is an effective way to reflect the spirit of the institution in all its ramifications. Prospects is a small step in this respect. On its long march of forty four years BPC college has witnessed great changes in all spheres. The academic and intellectual streams have taken a new turn keeping in view of the changes of time. The infrastructural facility has been expanded and upgraded to accommodate ever increasing number of the students. From the college campus to the central library there has been a remarkable touch of novelty and purposefulness. It benefits the college community at large. The college is preparing itself to be assessed by NAAC. We hope a better result from it. Despite the best efforts not all the records of programmes and activities could be accommodated in this issue. The Editorial Board sincerely regrets these inconveniences. We shall be highly gratified if this little effort meets the goal it intends. We owe our gratitude to the principal, IQAC and all the members of the college family.

Yours sincerely

Prof. N.C. Bhoi and Prof. N.C. Kalita

B.P. Chaliha College:

A Brief Note:

B. P. Chaliha College, named after the illustrious son and ex-chief minister of Assam, Bimala Prasad Chaliha was set up on 26th August 1972 on the bank of river Karnoi. The Nagarber Mouza Committee took pioneering step in this noble mission and under the able stewardship of late Deba Prasad Saikia, the founder Principal, starting the academic session of B.P. Chaliha College with 135 students and six faculty members in Nagarbera High School campus. The college was brought under deficit grant-in-aid system on 01-09-1979. The Science Stream was introduced in 1985 and subsequently put under deficit system of GIA on 11th January, 1996. The college runs both H. S. and TDC programme under AHSEC and G. U. respectively. At present it has been offering graduate programmes in both Arts and Science streams in fifteen different subjects. The college also offers P. G. programmes for certain subjects through K.K. Handique Open University and IDOL.

The college has a Central Library, a study center of KKHO and IDOL, two Girls Hostel, a Computer Lab, a Language Lab, a Biotech Hub along with other modern facilities such as Digital Classrooms, Conference Hall internet facilities, e-books and e-journals to serve the greater needs of students and faculties. Apart from IQAC and a host of Sub-Committees, Clubs and Cells, different departments give due attention to fulfil the needs and aspirations of students.

The college is now having more than 1600 students, about sixty teaching faculties and nearly forty other officials and supporting staff to serve its interest. The college is preparing itself for the next round of assessment of NAAC which is hoped to be very positive.

Celebration of the Foundation Day of the College
Date: 26/08/2015

Vision and Mission

Vision:

The college has a vision to make it a vibrant centre of higher education having a healthy blend of traditional and modern courses in U.G. and P.G. level in order to prepare the students with all relevant knowledge and skills for their maximum social efficiency. It also aims at making this institution a centre of perpetual power which would keep on contributing its uninterrupted power for social transformation in the days to come.

Mission:

Bimala Prasad Chaliha College, Nagarbera has been working with the mission to make a quality higher education available to economically backward and geographically isolated people of this area to create adequate opportunity for their easy exposure to the national mainstream. The college will strive for integrated development of the students inclusive of intellectual, moral and cultural upliftment. It cherishes to foster the spirit of discipline and self reliance among the youths to face the challenges of time.

The mission statement of the college reads "Tomoso Ma Jyotir Gamaya" which reflects the quest of the college to remove the darkness of ignorance and spread the light of knowledge
