COURSE OBJECTIVES

The course primarily aims at tracing the traditions in Indian Sociology through formal teaching in the subject which started in Bombay university way back in 1914.

- The course is important keeping in view of the debate over “Sociology in India” and “Sociology of India” in terms of whether it has been influenced by western philosophy, is there a need of indigenization etc.

LEARNING OUTCOMES:

- This paper will provide students with perspectives of key Indian sociologists.
- The paper will enable students to engage their understanding with issues of tradition and modernity, caste, tribe and gender in context to India and Indian Sociologists.
