

### **7.1.2 FACILITIES FOR DIFFERENTLY-ABLED PERSONS**

Sl no	Type of Facility
1	Ramps
2	Disabled friendly washrooms
3	Wheelchair and Human Assistance
4	Signage for disabled-friendly washrooms

#### **1. Ramps**

Recognizing the diverse needs of its student body, the Institution has integrated ramps into its infrastructure to enhance accessibility for individuals with mobility challenges. These ramps are strategically placed at key locations throughout the campus, including entrances to academic buildings, libraries, and recreational areas, ensuring that every student can navigate the college grounds with ease. The ramps are designed with safety and functionality in mind, featuring non-slip surfaces and appropriate gradients to facilitate smooth movement. This initiative reflects the college's dedication to fostering an educational atmosphere that values equality and supports the diverse needs of its community. By providing such facilities, B.P. Chaliha College not only complies with accessibility standards but also promotes an inclusive culture where every student has the opportunity to thrive academically and socially.
