1.1 Context of the policy and scheme:

B. P. Chaliha College has adopted village for exchange of knowledge and for the overall social and economic betterment of the village communities as mandated by UGC. The village adoption scheme may also empower the College fraternity for better training, research and thus can contribute for rural development in the country. B. P. Chaliha College believes that as part of the social responsibility, this adoption will boost the sustainable development of the village in particular. In this scheme college has selected a village namely Daspara-Pijupara, nearby to college. The village is facing number of problems such as education, price to their crop, pure drinking water, poor facilities etc. Hence our college has adopted the particular village as keeping in mind the social responsibility of higher educational institution. The college authority with NSS unit of the college and other clubs and cells has been organizing different initiatives to uplift the life standards of the village.

1.2 Objective of the scheme:

- a) To sensitize the village about cleanliness, hygiene and environment protection.
- b) To suggest alternative ways for income.
- c) To aware villagers about socio-economic developments and different welfare schemes of governments.
- d) To prevent child marriages
- e) To make aware of waste management
- f) To conduct surveys and to forward it to concern authority.
