CRITERIA: 6

6.5 Internal Quality Assurance System

Optimization and integration of modern methods (the use of ICT, blended mode of teaching-learning, participative and experiential learning, etc.) of teaching and learning.

Submitted to

National Assessment and Accreditation Council

ICT into education has become a vital part of the education system nowadays. It offers numerous benefits, supports, enhances, and optimizes the delivery of education for both teachers and students. Today, it is essential for students to learn and master the latest technologies to be corporate-ready. Here are some ways in which teachers and students of B. P. Chaliha college use ICT-enabled tools for effective teaching-learning processes-

1. **Projectors:** 05 number projectors are available in different classrooms/labs
2. **Seminar Rooms:** one seminar hall and one digital classroom are equipped with all digital facilities.
3. **Smart Board:** Two smart boards are installed in our college.
4. Online Classes, webinars, and lecture series are organized and carried out through Zoom, Google Meet, and Google Classroom from time to time.
5. B.P. Chaliha College became a part of the SWAYAM – NTTEL online education Platform on June 22, 2023.
6. **Digital Library resources:** The library is using SOUL 2.0 Integrated Library Management Software (ILMS) for creating library databases. One number of server and four numbers of clients are working in the SOUL 2.0 environment. One number of clients is provided to the library users for searching the books on the Online Public Access Catalogue (OPAC).

Different Uses of ICT Faculties

- A. **PowerPoint presentations-** Faculties are encouraged to use PowerPoint presentations in their teaching by using LCDs and projectors. They are also equipped with digital libraries, online search engines, and websites to prepare effective presentations.
- B. Seminar and Conference rooms are digitally equipped where guest lectures, expert talks, and various competitions are regularly organized for students.
- C. **Online competition:** From time to time the faculties organize online competitions eg essay writing for the benefit of the students with the help of Google Forms.

D. Video Conferencing; Students as well as faculties are counseled with the help of Zoom / Google Meet applications.

E. Video lecture: The **139 different video lectures links** are made available to students on our college websites for long-term learning and future referencing. Besides this 18 live discussion sessions were also added to our website.

F. A total of 1098 **class notes** are added and made available on our college website for the students. Interested students can log in, download, and study the uploaded documents.

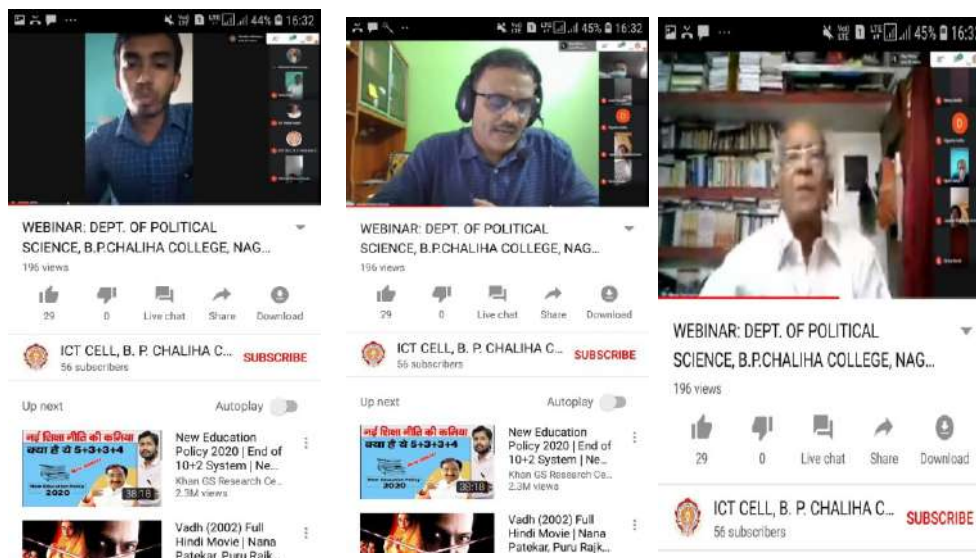

G. Different WhatsApp groups are also constructed in different departments of our college to use as a teaching-learning tool. Different notes, notices, and pieces of information are shared with students.

H. Google Classrooms is widely used by faculty members for the decimation of class notes, assignments, and other information related to class.
