Respected Sir,

Respected Sir,

With due respect, we, the students of B.P. Chaliha College, humbly request your kind intervention regarding the uniform of the college. Currently, the college uniform for female students is the traditional **Mekhela Chador**, which is causing significant difficulties for the students in everyday usage.

We would like to inform you that numerous female students come to our college from different places. The road condition is also not very good. Because of which, the students who commute through bike or cycle often faces accidents on the road. On the other hand, the students which commute through boat, they also face many difficulties. Additionally, to get into the uniform it also takes much time to get ready, due to which we face time shortage.

We hope you will consider our request favourably and take appropriate steps at the earliest.

Yours sincerely,

Today, on 13th October, 2022, a meeting of the grievance redressal cell of B.P. Chaliha College is held under the chairmanship of respected chairperson of the cell cum Principal Dr. Kamal Chandra Pathak in the office of the IRAC of college.

The objective of the meeting is described by the convenor Dr. Atwar Rahman. After that the convenor read out the proceeding of the last meeting of the cell & the House accepted it.

According to the next agenda, the Chairman directed the convenor to read out the letters of grievances ^{received} from the students.
